DISCLOSURE

To ensure balance, independence, objectivity and scientific rigor in all sponsored educational activities, all participating speakers, course directors and planning committee members are required to disclose to the program audience any financial relationships related to the subject matter of this program. Relationships of spouse/partner with proprietary entities producing health care goods or services should be disclosed if they are of a nature that may influence the objectivity of the individual in a position to control the content of the program. Specific disclosure information for each speaker, course director and planning committee member will be shared with the audience prior to the speaker's presentation.
