

# 11th Annual Meeting of the Association of Clinical Elbow & Shoulder Surgeons

St. Regis Bal Harbor Resort Hotel, Bal Harbor , FL  
November 12-15, 2015

The Association of Clinical Elbow and Shoulder Surgeons (ACCESS) was founded in 2005 by a group of fellowship trained elbow and shoulder surgeons with the common goal of the advancement of patient care. ACCESS is a group of physicians that share a common interest in shoulder and elbow surgery and this group evolved to provide a peer group to share clinical cases and further the education of complex shoulder and elbow surgery. The main focus of this group is to provide a collegial atmosphere for members and their families and to encourage
